

Top Energy Innovation Companies in the Greater Rochester, NY Region

Company	Nature of Local Operations
Acciona Energy	Solar and wind
Advanced Interconnect Manufacturing	Fuel cell components
Alumi-Tech	Solar framing and racking
Ametek	Wind electronic components
Applied Coatings	Fuel cell R&D, solar energy components
Cerion Enterprises	Fuel efficiency
Coler Inc.	Biomass
Connected Energy Corp.	Energy management systems
Delphi Corp.	Fuel cells
e-VanHee	Solar and geothermal services
Eagle Mountain	Geothermal services
Ecovation	Biomass
Energy Concepts	On-site energy design consultants
General Motors	Fuel cells
Gorbel	Cranes and lifting devices for the wind industry
Guardian Glass	Solar energy components
Harbec Plastics	Energy management solutions
Iberdrola USA	Energy services and delivery
Impact Technologies	Wind energy components
Johnson Controls	Energy management systems
Kayex	Solar - silicon crystal growing equipment
Lapp Insulators	Wind energy components
Meilke Automation	Automated assembly and test equipment for the solar industry
MWI	Solar components - machined graphite products
Northern Biodiesel	Biofuels
O'Connell Electric	Design and construction of wind energy projects
Parker Chomerics Webster Plastics	Fuel cell components
Precision Design Systems	Testing, fuel cells
Progressive Machine & Design	Energy storage, fuel cell, solar, wind
Reflexite Display Optics	Solar energy components
Rochester Industrial Control	Electronics and engineering manufacturing for wind and fuel cell
Rochester Solar Technologies	Solar energy solutions
Saint-Gobain Technical Fabrics	Solar energy solutions
Seneca BioEnergy	Ethanol production
Siemens Building Technologies	Energy management systems
Solar Sentry	Solar array diagnostics
Sustainable Energy Developments	Wind energy services
SweetWater Ethanol	Ethanol production
Trident Precision Manufacturing	Solar and wind components
True Energy Solutions	Energy management solutions
TVT bio	Biomass
Ultralife	Energy services
US Energy Partners	Energy services
Vance Metal Fabricators	Wind energy components
Western New York Energy	Ethanol production
WindTamer	Small wind turbine manufacturer
Xactiv	Energy storage
