

Greater Rochester, NY Region's Top Engineering Firms, 2013

Rank	Company	Local Staff	Engineering Disciplines
1	Optimation Technology Inc.	295	Process, chemical, structural, mechanical, electrical, instrumentation, software, controls, systems
2	Bergmann Associates Inc.	215	Civil, structural, traffic, mechanical, electrical, environmental, transportation, architecture, landscape architecture, planning, 3-D design, interior design, geographical information systems and surveying
3	LaBella Associates P.C.	169	Civil, highway, bridge, construction inspection, mechanical, electrical, energy, structural, environmental and survey
4	Stantec Consulting Services Inc.	125	Civil, mechanical, electrical, structural, transportation, environmental and chemical
5	Erdman Anthony	113	Transportation engineering; facilities engineering and design services; civil engineering; geospatial services and construction inspection
6	Clark Patterson Lee	105	Civil, structural, transportation, mechanical, electrical, plumbing, water, sewer, solid waste and environmental
7	Passero Associates P.C.	80	Civil, aviation, environmental, planning, transportation, municipal, architectural, surveying and construction management
8	T.Y. Lin International	78	Civil, structural, site, traffic and transportation, mechanical, electrical, fire protection, plumbing, architectural, planning, surveying and building code compliance services
9	Fisher Associates P.E.L.S.P.C.	74	Site, civil, transportation, structural and energy engineering; environmental services, surveying services; geo-technical, cultural resources, visualization and construction representation
10	Ravi Engineering and Land Surveying P.C.	70	Structural, geo-technical, environmental, land surveying, bridge inspection, construction inspection and specialty inspection
11	M/E Engineering P.C. Optimation Technology Inc.	65	Heating, ventilating and air conditioning, plumbing, fire protection, electrical, energy management, data and telecom, co-generation, life safety and computational fluid dynamics modeling
12	IBC Engineering P.C.	50	Heating, ventilating and air conditioning, electrical, plumbing, fire protection, life safety, data and telecom, sustainable building design, energy modeling and commissioning

13	MRB Group Engineering, Architecture, Surveying P.C.	47	Civil, architectural, survey, wastewater treatment and collection, water treatment and supply, site development and design, stormwater management, space and work flow analysis, interior design, road design, construction phase services, planning board advising, regulatory permitting, mapping and geographic information systems
14	Popli Design Group	45	Civil, highway design and traffic studies, structural, bridge inspection, bridge rehabilitation and replacement, environmental, design survey and mapping, construction inspection and management, architectural services, structural engineering, HVAC, plumbing, fire protection, electrical
15	CHA	44	Aviation, civil, water and wastewater, environmental, landscape architecture, planning, mechanical, electrical, structural, energy, traffic, transportation, bridges, rail, sports, survey, geographic information systems, geo-technical, construction inspections
16	Lu Engineers	40	Civil, construction inspection, environmental, geographic information systems, transportation, structures, survey, water and wastewater site and subdivision design, landscape architecture, asbestos
17	Haley & Aldrich of New York	38	Environmental consulting and remediation, geo-technical engineering, energy infrastructure, lean and sustainable environmental consulting, civil, mechanical and chemical engineering
18	APD Engineering & Architecture	30	Civil, site, highway and architecture
19	Larsen Engineers	30	Civil, environmental, structural, community engineering, surveying, mapping, sustainable green design, alternative energy, stormwater recycling and reuse, energy and water conservation
20	Costich Engineering and Land Surveying P.C.	29	Civil engineering, land surveying, land planning, utility design, transportation, environmental assessments and telecom
21	BME Associates	26	Civil, site, land planning, environmental, wetlands, stormwater entitlement permitting, surveying and construction management
22	Pathfinder Engineers and Architects LLP	24	Mechanical, electrical, plumbing, fire protection and energy engineering, energy modeling, structural engineering, commissioning and retro-commissioning, architecture
23	O'Brien & Gere	24	Water, wastewater, environmental, air quality

24	Day Engineering P.C.	20	Environmental
25	Barton & Loguidice P.C.	11	Transportation , solid waste, environmental, facilities, land planning and site, water supply, wastewater, energy
