

We'll help you chart the course for business success.

Greater Rochester Enterprise is an economic development organization committed to attracting new capital investments and creating regional wealth and new jobs throughout the Greater Rochester, NY region.

As a no-cost intermediary, the GRE team of professionals will help you connect to the right people and find the right resources to expand your company here. We are the first call you should make if you want to grow your business.

GRE can help steer your company in the right direction.

Our client-driven project management services include:

- Providing detailed demographic, statistical, comparative and industry specific information about the region
- Researching and identifying potential commercial sites and buildings
- Identifying available grants, incentives and financing
- Facilitating meetings with appropriate city, county and state agencies
- Coordinating meetings with appropriate service providers such as legal, accounting, banking, etc.
- Assisting with workforce and recruitment training needs
- Providing detailed information about living in Greater Rochester, including housing, schools and cultural amenities

For more information on how we can help you navigate the growth of your business in the Rochester Region, visit RochesterBiz.com or call 585-530-6200 today.

GRE thanks its board members and investors for their continued support.
