

Energy Innovation and Green Industry Companies in Greater Rochester, New York

Company Name	Nature of Local Operations	Website
Advanced Interconnect Manufacturing Inc.	Fuel cell components	www.aim-mfg.com
Alumi-Tech LLC	Solar framing and racking	www.alumi-tech.net
AMETEK Power Instruments	Wind electronic components	www.ametekpower.com
Arnold Magnetic Technologies	Fuel cell components	www.arnoldmagnetics.com
Cascades Recovery	Processes and manages discarded recyclable materials	www.recoverycascades.com
Cerion Advanced Materials	Fuel efficiency R&D; nanoparticle engineering and manufacturing	www.cerionadvancedmaterials.com
Coler Natural Insulation	Environmentally-friendly insulation products	www.coler.com
Eagle Mountain	Geothermal services	www.eagle-mt.com
EMF Corporation, A Dynasil Company	Fuel cell R&D, solar energy components	www.emf-corp.com
Energy Concepts	On-site energy decision consultants	www.nrg-concepts.com
Energy Harvesters LLC	Commercializing personal mobile electronics power source	www.energyharvesters.com
EWASTE+	Custom electronics recycling services	www.ewaste.com
Gleason Works	Gear machine and gear manufacturer for wind turbines	www.gleason.com
Gorbel	Cranes and lifting devices for the wind industry	www.gorbel.com
Guardian Glass	Solar energy components and green building materials	www.guardian.com
Halco Heating	Provider of high quality energy solutions to residential and commercial clients	www.halcoheating.com
Harbec Plastics	Tooling machining; sustainable manufacturing	www.harbec.com
Iberdrola USA	Energy services and delivery	www.iberdrolausa.com
Johnson Controls	Energy management systems and building efficiency	www.johnsoncontrols.com
LaBella Associates, P.C.	Provider of energy and environmental engineering services	www.labellapc.com
Lapp Insulators	Wind energy components	www.lappinsulator.com
Linton Crystal Technologies	Develops and manufactures crystal growing furnaces for the semiconductor and solar/ photovoltaic industries	www.lintoncrystal.com

Energy Innovation and Green Industry Companies in Greater Rochester, New York, cont'd

Company Name	Nature of Local Operations	Website
MWI	Solar components - machined graphite products	www.mwiedm.com
Natcore Technology	Solar - development of thin-film and tandem solar cell technologies	www.natcoresolar.com
New Energy Works Timberframing	Designs and builds timber frames using reclaimed timbers	www.newenergyworks.com
O'Connell Electric / Rochester Solar Technologies	Turnkey solutions for wind and solar power projects	www.oconnellelectric.com
OptiCool Technologies	Green data center cooling solutions	www.opticooltechnologies.com
Parker Chomerics Webster Plastics	Fuel cell R&D, solar energy components	www.chomerics.com
Pathfinder Engineers & Architects	Provides sustainable design in mechanical, electrical, plumbing, structural and energy engineering, architecture, commissioning, and energy modeling	www.pathfinder-ea.com
Pioneer Millworks	Reclaimed and sustainable wood products	www.pioneermillworks.com
Progressive Machine & Design	Energy storage, fuel cell, solar, wind	www.pmdautomation.com
Reflexite Energy Solutions USA, an ORAFOL Company	Solar energy and lighting industry components	www.orafol.com
Renewable Rochester	Solar, wind installation	www.renewablerochester.com
Siemens Building Technologies	Energy management systems	www.buildingtechnologies.siemens.com
SmartWatt Energy Inc.	Provider of turnkey energy-efficient solutions	www.smartwattinc.com
Solid Cell	Developer of clean fuel cell products	www.solidcell.com
Sustainable Energy Developments	Wind and solar energy services	www.sed-net.com
SweetWater Energy	Ethanol production	www.sweetwater.us
Synergy Biogas LLC - Synergy Dairy	Produces renewable energy by anaerobically digesting manure	www.ch4biogas.com/projects/synergy-biogas/
Tenrehte Technologies Inc.	Energy conservation products	www.tenrehte.com
Trident Precision Manufacturing	Solar and wind components	www.tridentprecision.com
True Energy Solutions	Energy management solutions	www.trueenergysolutions.com
TVT bio	Wastewater treatment solutions	www.tvt-bio.com
Ultralife	Energy services and delivery	www.ultralifecorporation.com

Energy Innovation and Green Industry Companies in Greater Rochester, New York, cont'd

Company Name	Nature of Local Operations	Website
UNITRAC Energy Management Co.	Energy efficient lighting technologies	www.unitracenergy.com
Vance Metal Fabricators	Power generation components	www.vancemetal.com
Western New York Energy	Ethanol production	www.wnyenergy.com
Wind Turbine Tools - a Division of Transcat	Wind supply chain components	www.transcat.com/windenergy
Wise Home Energy	Energy efficiency management	www.wisehomeenergy.com
Xactiv	Energy storage	www.xactiv.com
